MEDICAL FEE DISPUTE RESOLUTION FINDINGS AND DECISION

GENERAL INFORMATION

Requestor Name

Texas Health Fort Worth

Respondent Name

Zurich American Insurance Co

MFDR Tracking Number

M4-14-2916-01

Carrier's Austin Representative

Box Number 19

MFDR Date Received

May 19, 2014

REQUESTOR'S POSITION SUMMARY

Requestor's Position Summary: "HRA has been hired by Texas Health Fort Worth to audit their Workers Compensation claims. We have found in this audit they have not paid what we determine is the correct allowable per the APC allowable per the new fee schedule that started 3/1/2008..."

Amount in Dispute: \$24.00

RESPONDENT'S POSITION SUMMARY

Respondent's Position Summary: "Subject to further review, the carrier asserts that it has paid according to applicable fee guidelines and challenges whether the disputed charges are consistent with applicable fee guidelines."

Response Submitted by: Flahive Ogden & Latson

SUMMARY OF FINDINGS

Date(s) of Service	Disputed Services	Amount In Dispute	Amount Due
October 8-9, 2013	Outpatient Hospital Services	\$24.00	\$24.00

FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.403 sets out the fee guidelines for outpatient acute care hospital services.
3. 28 Texas Administrative Code §134.203 sets out the fee guidelines for professional medical services.
4. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - 97 – The benefit for this service is included in the payment allowance for another service/procedure that has already been adjudicated.
 - W1 – Workers compensation jurisdictional fee schedule adjustment
 - W3 – In accordance with TDI-DWC Rule 134.804. This bill has been identified as a request for reconsideration or appeal.

Issues

1. What is the applicable rule for determining reimbursement for the disputed services?
2. What is the recommended payment amount for the services in dispute?
3. Is the requestor entitled to reimbursement?

Findings

1. This dispute relates to facility services performed in an outpatient hospital setting with reimbursement subject to the provisions of 28 Texas Administrative Code §134.403, which requires that the reimbursement calculation used for establishing the maximum allowable reimbursement (MAR) shall be the Medicare facility specific amount, including outlier payment amounts, determined by applying the most recently adopted and effective Medicare Outpatient Prospective Payment System (OPPS) reimbursement formula and factors as published annually in the Federal Register with the application of minimal modifications as set forth in the rule. Per §134.403(f)(1), the sum of the Medicare facility specific reimbursement amount and any applicable outlier payment amount shall be multiplied by 200 percent, unless a facility or surgical implant provider requests separate reimbursement of implantables. Review of the submitted documentation finds that separate reimbursement for implantables is not applicable.
2. Under the Medicare Outpatient Prospective Payment System (OPPS), each billed service is assigned an Ambulatory Payment Classification (APC) based on the procedure code used, the supporting documentation and the other services that appear on the bill. A payment rate is established for each APC. Depending on the services provided, hospitals may be paid for more than one APC per encounter. Payment for ancillary and supportive items and services, including services that are billed without procedure codes, is packaged into payment for the primary service. A full list of APCs is published quarterly in the OPPS final rules which are publicly available through the Centers for Medicare and Medicaid Services (CMS) website. Reimbursement for the disputed services is calculated as follows:
 - Procedure code J7120 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code 88305 has a status indicator of X, which denotes ancillary services paid under OPPS with separate APC payment. These services are classified under APC 0343, which, per OPPS Addendum A, has a payment rate of \$38.10. This amount multiplied by 60% yields an unadjusted labor-related amount of \$22.86. This amount multiplied by the annual wage index for this facility of 0.9549 yields an adjusted labor-related amount of \$21.83. The non-labor related portion is 40% of the APC rate or \$15.24. The sum of the labor and non-labor related amounts is \$37.07. The cost of these services does not exceed the annual fixed-dollar threshold of \$2,025. The outlier payment amount is \$0. The total Medicare facility specific reimbursement amount for this line is \$37.07. This amount multiplied by 200% yields a MAR of \$74.14.
 - Procedure code 88311 has a status indicator of X, which denotes ancillary services paid under OPPS with separate APC payment. These services are classified under APC 0342, which, per OPPS Addendum A, has a payment rate of \$12.71. This amount multiplied by 60% yields an unadjusted labor-related amount of \$7.63. This amount multiplied by the annual wage index for this facility of 0.9549 yields an adjusted labor-related amount of \$7.29. The non-labor related portion is 40% of the APC rate or \$5.08. The sum of the labor and non-labor related amounts is \$12.37. The cost of these services does not exceed the annual fixed-dollar threshold of \$2,025. The outlier payment amount is \$0. The total Medicare facility specific reimbursement amount for this line is \$12.37. This amount multiplied by 200% yields a MAR of \$24.74.
 - Procedure code 73650 has a status indicator of X, which denotes ancillary services paid under OPPS with separate APC payment. These services are classified under APC 0260, which, per OPPS Addendum A, has a payment rate of \$45.95. This amount multiplied by 60% yields an unadjusted labor-related amount of \$27.57. This amount multiplied by the annual wage index for this facility of 0.9549 yields an adjusted labor-related amount of \$26.33. The non-labor related portion is 40% of the APC rate or \$18.38. The sum of the labor and non-labor related amounts is \$44.71. The cost of these services does not exceed the annual fixed-dollar threshold of \$2,025. The outlier payment amount is \$0. The total Medicare facility specific reimbursement amount for this line is \$44.71. This amount multiplied by 200% yields a MAR of \$89.42.
 - Procedure code 76001 has a status indicator of B, which denotes codes that are not recognized by OPPS when submitted on an outpatient hospital bill. Reimbursement is not recommended.
 - Procedure code 28220 has a status indicator of T, which denotes a significant procedure subject to multiple-procedure discounting. The highest paying status T procedure is paid at 100%; all others are paid at 50%. This procedure is paid at 100%. These services are classified under APC 0055, which, per OPPS Addendum A, has a payment rate of \$1,583.94. This amount multiplied by 60% yields an unadjusted labor-related amount of \$950.36. This amount multiplied by the annual wage index for this facility of 0.9549 yields an adjusted labor-related amount of \$907.50. The non-labor related portion is 40% of the APC rate or \$633.58. The sum of the labor and non-labor related amounts is \$1,541.08. Per 42 Code of Federal

Regulations §419.43(d) and Medicare Claims Processing Manual, CMS Publication 100-04, Chapter 4, §10.7.1, if the total cost for a service exceeds 1.75 times the OPPS payment and also exceeds the annual fixed-dollar threshold of \$2,025, the outlier payment is 50% of the amount by which the cost exceeds 1.75 times the OPPS payment. Per the OPPS Facility-Specific Impacts file, CMS lists the cost-to-charge ratio for this provider as 0.208. This ratio multiplied by the billed charge of \$9,544.75 yields a cost of \$1,985.31. The total cost of all packaged items is allocated proportionately across all separately paid OPPS services based on the percentage of the total APC payment. The APC payment for these services of \$1,541.08 divided by the sum of all APC payments is 93.50%. The sum of all packaged costs is \$1,820.77. The allocated portion of packaged costs is \$1,702.40. This amount added to the service cost yields a total cost of \$3,687.71. The cost of these services exceeds the annual fixed-dollar threshold of \$2,025. The amount by which the cost exceeds 1.75 times the OPPS payment is \$990.82. 50% of this amount is \$495.41. The total Medicare facility specific reimbursement amount for this line, including outlier payment, is \$2,036.49. This amount multiplied by 200% yields a MAR of \$4,072.98.

- Procedure code J0131 has a status indicator of G, which denotes pass-through drugs and biologicals paid under OPPS; separate APC payment includes pass-through amount. These services are classified under APC 9283, which, per OPPS Addendum A, has a payment rate of \$0.13. This amount multiplied by 60% yields an unadjusted labor-related amount of \$0.08. This amount multiplied by the annual wage index for this facility of 0.9549 yields an adjusted labor-related amount of \$0.08. The non-labor related portion is 40% of the APC rate or \$0.05. The sum of the labor and non-labor related amounts is \$0.13 multiplied by 100 units is \$13.00. Per 42 Code of Federal Regulations §419.43(f) and Medicare Claims Processing Manual, CMS Publication 100-04, Chapter 4, §10.7.1, drugs, biologicals, and items and services paid at charges adjusted to cost are not eligible for outlier payments. The total Medicare facility specific reimbursement amount for this line is \$13.00. This amount multiplied by 200% yields a MAR of \$26.00.
 - Procedure code J0690 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J1170 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J1650 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J1885 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J1885, date of service October 9, 2013, has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J2250 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J2370 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J2405 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code J3010 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
 - Procedure code G0378 has a status indicator of N, which denotes packaged items and services with no separate APC payment; payment is packaged into the reimbursement for other services, including outliers.
3. The total allowable reimbursement for the services in dispute is \$4,287.28. The amount previously paid by the insurance carrier is \$3,361.40. The requestor is seeking additional reimbursement in the amount of \$24.00. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$24.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$24.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
